I would be glad if there could be an American flag in every American home. There is an inspiration in it. It has a story wrought into its every fold, until each thread has some lesson to tell of sacrifice and heroism. It is the promise of all that we hope for. It is to it and about it that we must gather and hold the affections of our people if these institutions are to be preserved—Benjamin Harrison.

Let All Clarksburg Homes Show Their Patriotism

Four women on April 13, 1862, at Arlington Cemetery, one year after the fall of Fort Sumter, were the first to begin the Memorial Day, when they decorated the graves of a number of soldiers buried at Arlington Heights, Virginia.

The next year they did the same lovely service and the year after they performed the same sad duty at Fredericksburg.

Thereafter the service gradually became general. In 1874, urged by General Grant, and was finally

enacted by Congress that the 30th of May to be a legal holiday.

Just as Benjamin Harrison has said, "I would be glad if there could be an American flag in every American home", and particularly this year than ever should this be, and we have provided accordingly.

House flag sets special 98c. Complete set includes one fast color flag, size 4x6 feet, one 8 foot pole and wood ball end, one rope and window bracket. (Basement Floor.)

"Paul Jones" Middies and Skirts For the Kiddies

Paul Jones is the name given a special brand of those Middies that are made in Baltimore.

They are the best middies to be had for the price in this country.

All the little details usually overlooked, with this particular manufacturer are embodied in the Paul Jones middies. You may have the regulation style and several novelties, such as the Norfolk or the much

wanted pocketed and belted effects, and one with a flannel collar that washes and does not fade or shrink, price \$1.00.

Paul Jones white skirts in three different styles, made of the same splendid washable peppercorn Jean as the blouses and are made of just the sort of smart styles, separate belt and pockets that the young girls like—prices \$1.00, \$1.50, and \$2.00.

Lest We Forget and Then Regret

The only way to have work of this kind done right and have it the way it should be, is to order ahead of time. Postal card or telephone message to the third floor, will receive immediate attention for

Prefer Making Bathing Suit Yourself?

Rather premature to talk about bathing suits, but not so if you intend making one yourself; another reason for speaking of it now is that we have just received in the dress goods section a cotton venetian with a highly electrified mercerized satin finish. Primarily for the lining of coats, but it will also make bathing suits. It is 32 inches wide and sells at 65c a yard.

You may have it in navy blue, gray, and rookie tan shades.

A Special Fashion Sale On Basement Floor This Friday

All the 32 suits are marked at \$10.50—that includes novelty as well as plain suits—Gabardine, poplin, and serge, mostly navy blue and black, a few tans and greens. There are fine and large checks, in black and white; sizes to 40.

15 Dresses are marked at \$10.50 also, and include taffeta silk, georgette crepes, charmeuse and crepe-de-chine—in navy, pearl gray, green and Copenhagen blue;

21 sports coats of Corduroy at \$5.00 each; one's and two's remaining of several styles in sizes for young ladies only.

You may choose rose, white, Copenhagen blue.

32 Corduroy skirts at \$2.95—white, rose and Copenhagen. Sports skirts all fresh, new and instantly wearable.

Women's Dollars: Let every one of them do its full duty.

You wouldn't put one in the bank without making sure it was a bank that would repay at least 100 cents on the dollar.

Why not make sure that for every dollar you put into clothing you will get at least 100 cents in value and service?

Women's Waists and Other Summer Apparel

It is time that our good women who spend their money should know something about the actual values of things they buy.

More and more women are finding out certain absolute facts about Parsons-Souders waists, and other waists that are surprising to them.

That Parsons-Souders staple, standard regularly priced silk waists, cotton waists, and all waists are better made than any other waists in Clarksburg, of similar material.

That these very same unvarying prices are

lower—much lower—than the reduced prices advertised by mark-up and mark-down stores.

We ask any woman to test out for herself and try if she can find, at \$2.49 special, or \$3.00 regular, as good a cotton voile waist as we sell regularly day in and day out at \$2.00.

Or, if she can find at \$1.39 special or \$1.75 regular as good a waist as our regular \$1.00 waist.

And to make similar comparisons to any extent she likes in the matter of hosiery, underwear, ribbon, gloves and all personal furnishings.

So the question is, where is the home that can't be suited and satisfied? We can't believe it exists, provided it be a home of any taste and judgment.

There are many people of many minds and tastes and different resources, that are choosing small rugs and if any one of them choose the wrong rug the fault will be their own.

You May Safely Change Now to Summer Underwear

The woman who buys a Kayser Venetian silk union suit at \$4.00 gets enough pleasure out of it to amply repay her.

Her friends may be just as well satisfied with a \$1.50 or \$2.00 kind. Others find 50c to \$1.00 union suits entirely to their liking.

Hints On Health.

One should be cautious about entering a sick room in a state of perspiration, as the moment you become cool your pores absorb. Do not approach contagious diseases with an empty stomach, do not sit between the sick and the fire, because the heat attracts the vapor.

A bag of hot sand relieves neuralgia.

Warm borax water will remove dandruff.

Salt should be eaten with nuts to aid digestion.

It rests you, in sewing, to change your position.

A little soda water will relieve sick headache caused by indigestion.

A cupful of strong coffee will remove the odor of onions from the breath.
